Syllabus Information

Academic Year: 2021/22

Subject: 27645 - Business Growth Strategies

Faculty / School: 109 - Facultad de Economía y Empresa

Degree: 450 - Degree in Marketing and Market Research

ECTS: 5.0

Year: 4

Semester: First semester

Subject Type: Optional

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

Program development and achieving the established learning objectives require continued work of the student throughout the course around the following activities:

- Recommended attendance to the sessions
- Reading and study of bibliographical material indicated in each subject
- Regular and careful realization of exercises and case studies throughout proposed
- Real company case
- Consultation of doubts and difficulties encountered in the study of different materials

For better use of classes it is recommended that the student conduct a first reading of the bibliographic material of each chapter prior to the explanation in class of the item as well as a more careful reading after the explanation.

4.2. Learning tasks

Basic teaching resources:

- In the theoretical sessions: clear exposures.
- Practical sessions: practical exercises.
- Each student, if possible in a group, will develop a Business Plan of a company

In principle, the teaching delivery methodology is planned to pivot around face-to-face classes. However, if necessary for health reasons, face-to-face classes may be taught online.
