

Academic Year/course: 2021/22

29753 - Industrial building

Syllabus Information

Academic Year: 2021/22

Subject: 29753 - Industrial building

Faculty / School: 110 - Escuela de Ingeniería y Arquitectura

Degree: 434 - Bachelor's Degree in Mechanical Engineering

ECTS: 6.0

Year: 4

Semester: First semester

Subject Type: Optional

Module:

1. General information

1.1. Aims of the course

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

1.2. Context and importance of this course in the degree

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

1.3. Recommendations to take this course

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

2. Learning goals

2.1. Competences

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

2.2. Learning goals

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

2.3. Importance of learning goals

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

3. Assessment (1st and 2nd call)

3.1. Assessment tasks (description of tasks, marking system and assessment criteria)

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

4.2. Learning tasks

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

4.3. Syllabus

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).

4.4. Course planning and calendar

This subject is linked to the subject with code [30039](#).

Please, consult the guide of the subject with code [30039](#).
