

Syllabus Information

Academic Year: 2021/22

Subject: 63226 -

Faculty / School: 107 - Facultad de Educación

Degree: 584 -

593 -

ECTS: 7.0

Year: 1

Semester: Annual

Subject Type: External Placements

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

The learning process designed for this course is based on the following:

- Participative attendance in the hours assigned to Practicum II.
- Carrying out the activities proposed by the tutor of the center.
- Observation of the dynamics of the educational center where the Practicum II is carried out.
- Preparation of the reports indicated in the "Evaluation" section of this teaching guide.
- Contact with the teaching staff and other educational agents in accordance with the indications of the tutor at the center and the tutor at the university.
- Attendance to meetings of the Practicum II tutor.

4.2. Learning tasks

The program offered to the student to help him/her to achieve the expected results includes the following activities...

- Lecture sessions
- Preparation of assignments
- Tutorials

These activities will be distinguished in this way:

- Attendance to classes with his/her subject tutor. He/she will attend the corresponding classes of his/her specialty of Mathematics, will observe the methodology of work. He/she will also know all the formative levels where Mathematics subjects are taught in the center (ESO/Bachillerato) and the existing institutional programs in the center (Basic Learning program, PEMAR and Basic Vocational Training).
- Preparation of reports on the design and development of the delivery of lessons. Design and implementation of a

lesson containing innovative or research elements. The student will have regular meetings with the corresponding tutor of the Practicum II and with the teacher to get support on these designs.

- In addition to meeting with the Practicum II tutor, there will be periodic meetings with the professor and the other students in the group to analyze and discuss the experience in Practicum II.

4.4. Course planning and calendar

The teacher will communicate the exact date for the delivery of the documentation, once a calendar is published for this purpose by the Master's Coordination.

The planning and general calendar of the Practicum II is kept up to date at
