#### PROCEDURE FOR THE ASSIGNMENT OF TUTORS FOR THE MASTER'S PROJECT (MODALITY A)

The area of Didactics of Experimental Sciences, responsible for the teaching of Practicum II for the speciality of Biology and Geology, will assign a TFM tutor (modality A) to those students who either have not applied for the TFM modality B or have not been selected to do modality B. The area will inform the Master's Coordination of the list of students assigned to the different teachers responsible for the TFM and it will be published on the website.

#### PROCEDURE FOR APPLYING FOR THE MASTER'S PROJECT (MODALITY B)

Students wishing to undertake mode B of the Master's dissertation must apply for acceptance of the direction of the Master's dissertation by means of an application addressed to the Master's Degree Quality Assurance Committee (ANNEX II. Initial application for the Master's dissertation). This application must be submitted to the Secretary's Office of the Faculty of

Education.

1. The student will make the application on the basis of the lists of TFM B proposals published during the corresponding period.
2. The student must indicate a maximum of three options in order of preference among those offered.
3. Once the applications have been received, the coordinator will carry out the allocation according to the offers and applications, deciding in the cases of overlapping applications by means of the grade of the access academic qualification. The allocation will be approved by the Quality Assurance Committee.
4. The list of students assigned to the TFM B lines will be communicated to the teaching staff and will be published on the website.
