

Academic Year/course: 2022/23

63286 - Internships II (Physical Education)

Syllabus Information

Academic Year: 2022/23

Subject: 63286 - Internships II (Physical Education)

Faculty / School: 202 - Facultad de Ciencias Humanas y de la Educación

Degree: 584 -

585 -

ECTS: 7.0

Year: 585 - : 1

584 - :

Semester: First semester

Subject Type: External Placements

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

The learning process that has been designed for this subject is based on the following:

Integration of previously acquired knowledge and skills.

Observation, analysis and implementation of teaching procedures.

Observation, analysis and implementation of educational evaluation, innovation or research methodologies.

Analysis, elaboration and use of didactic materials for learning in the levels of secondary education, both general and special.

Assessment of one's own teaching practice for purposes of continuous improvement.

Experimentation of various procedures suggested by the tutors.

4.2. Learning tasks

The program offered to the student to help him achieve the expected results includes the following activities:

At the practice center, attendance at classes and meetings established with your tutor. You will attend the corresponding classes of your specialty, you will observe the work methodology, the available materials, the concrete development of the classes. You will know all the training levels where subjects of your specialty are taught at the center and the institutional programs that exist in it.

Design of the materials for later use in the teaching-learning activities to be developed with the students of their practice center.

Discussion and debate seminars. Discussion with colleagues from the specialty itself regarding the applications of the activities, as well as the planned materials.

Regular meetings with the teacher and the other students in their group to analyze and discuss the experience in the Practicum.

4.3. Syllabus

--
