4. Academic activities

Presentation by the teacher of the basic questions of the Arabic language in its grammatical and usage aspects

Individual and group practice in writing and reading on the proposed topics where students acquire the ability to correctly use Arabic spelling and phonetics and apply comprehension and expression skills

Solving grammar problems, with special emphasis on the new aspects introduced in each didactic unit

Outside the classroom, students are expected to perform a variety of teacher-directed activities aimed at consolidating their language skills.

5. Assessment system

a) Continuous assessment system

The date of completion or delivery of the exercises or tests will be duly indicated at the beginning of the term

Test 1. Oral and written tests of basic noun phrases on related topics. It will account for 30 % of the grade. No minimum grade is required to average the final grade

Test 2. Oral and written tests of noun and verb phrases on everyday topics. It will account for 70% of the grade. The minimum grade that must be obtained in this test to average the final is 4.

b) Global assessment test

Practical tests, of written and oral type, carried out on the same date and based on the structures of nominal and verbal sentences and the lexicon of the basic topics that constitute the content of the program

All tests will assess receptive (in listening and reading), productive (in speaking and writing) and mediating skills (in translation, interpretation and analysis), as well as the correct use of linguistic and lexical structures. The required level is the A2 of the CEFR.

In the second call, there will be a global evaluation test with the same characteristics and criteria as the global test of the first call.
