Faculty / School: 177 - Escuela Universitaria de Turismo

Degree: 445 - Degree in Tourism
616 - Degree in Tourism

ECTS: 6.0

Year: 1

Semester: Second semester

Subject type: Basic Education

Module:

1. General information

The subject Tourism Marketing, taught in the first year of the Bachelor's Degree in Tourism, is part of the basic training course.

It is an introductory subject to the marketing discipline that plays a fundamental role in the organizations that make up the tourism sector. The purpose of this subject is to provide future professionals in the tourism sector with the tools and knowledge for commercial decision making and to make them aware of the importance of this discipline for the progress of companies.

These approaches and goals are aligned with the following Sustainable Development Goals (SDGs) of the United Nations Agenda 2030 (<https://www.un.org/sustainabledevelopment/es/>), such that the acquisition of the subject learning results provides training and competence to contribute to some extent to their achievement:

- Goal 8: Decent Work and Economic Growth
- Goal 10: Reduction of Inequalities
- Goal 11: Sustainable Cities and Communities

2. Learning results

- Understand and appreciate the concept of marketing and its application to tourism companies
 - Observe and understand the environmental variables that influence business decision making
 - Capture the changing needs of demand in tourism and observe the main bases for segmenting the market.
 - Designing a tourism product-service, pricing it, knowing how to distribute it and how to communicate it in a basic way
- Structuring a marketing plan
concrete.
