Syllabus Information

Academic year: 2024/25

Subject: 29185 - Internships abroad

Faculty / School: 177 - Escuela Universitaria de Turismo

Degree: 616 - Degree in Tourism

ECTS: 9.0

Year: 4

Semester: Second semester

Subject type: Optional

Module:

1. General information

The realization of external internships abroad is an approach of the student to the world of work, where they will be able to contribute to these institutions the skills and competences acquired during his/her years of study and to practice different languages.

The internship is a double way of training for the student and a contribution of the student to the training in terms of improvement and learning. Understand the functioning of the company or institution where he/she works so that in his/her immediate professional future, he/she will be able to contribute the knowledge of his/her studies applied to the professional reality based on his/her acquired knowledge and experience.

2. Learning results

- Introduce the student to the world of work
- Encourage language learning/reinforcement
- Understanding the operation of foreign companies/institutions

3. Syllabus

Stay in companies, entities, organisations or tourism institutions, carrying out a variety of tasks, depending on the profile of the post to be filled and complemented, where appropriate, with theoretical practical training for incorporation into the internship.

The student's approach to the world of work, where he/she will be able to contribute to these institutions the skills and competencies acquired throughout his/her years of study and to practice different languages.

To understand the functioning of the company or institution where he/she works in order to be able to contribute in the immediate professional future, to be able to contribute with their studies applied to the professional reality based on their knowledge and acquired.
