39512 - Concurrent and Distributed Systems Programming

Syllabus Information

Academic year: 2024/25
Subject: 39512 - Concurrent and Distributed Systems Programming
Faculty / School: 110 - Escuela de Ingeniería y Arquitectura
Degree: 607 -
ECTS: 6.0
Year: 2
Semester: First semester
Subject type: Compulsory
Module:

1. General information

See the guide of the module with the same name in Informatics Engineering degree.

2. Learning results

See the guide of the module with the same name in Informatics Engineering degree.

3. Syllabus

See the guide of the module with the same name in Informatics Engineering degree.

4. Academic activities

See the guide of the module with the same name in Informatics Engineering degree.

5. Assessment system

See the guide of the module with the same name in Informatics Engineering degree.
