

Academic Year/course: 2024/25

39515 - Computer architecture and organisation II

Syllabus Information

Academic year: 2024/25

Subject: 39515 - Computer architecture and organisation II

Faculty / School: 110 - Escuela de Ingeniería y Arquitectura

Degree: 607 -

ECTS: 6.0

Year: 3

Semester: Second semester

Subject type: Compulsory

Module:

1. General information

See the guide of the module with the same name in Informatics Engineering degree.

2. Learning results

See the guide of the module with the same name in Informatics Engineering degree.

3. Syllabus

See the guide of the module with the same name in Informatics Engineering degree.

4. Academic activities

See the guide of the module with the same name in Informatics Engineering degree.

5. Assessment system

See the guide of the module with the same name in Informatics Engineering degree.
