

## 39566 - Distributed Information Systems

### Syllabus Information

**Academic year:** 2024/25

**Subject:** 39566 - Distributed Information Systems

**Faculty / School:** 110 - Escuela de Ingeniería y Arquitectura

**Degree:** 607 -

**ECTS:** 6.0

**Year:**

**Semester:** Second semester

**Subject type:** Optional

**Module:**

#### 1. General information

See the guide of the module with the same name in Informatics Engineering degree.

#### 2. Learning results

See the guide of the module with the same name in Informatics Engineering degree.

#### 3. Syllabus

See the guide of the module with the same name in Informatics Engineering degree.

#### 4. Academic activities

See the guide of the module with the same name in Informatics Engineering degree.

#### 5. Assessment system

See the guide of the module with the same name in Informatics Engineering degree.
