

39769 - English

Syllabus Information

Academic year: 2024/25

Subject: 39769 - English

Faculty / School: 175 - Escuela Universitaria Politécnica de La Almunia

Degree: 608 -

ECTS: 6.0

Year: 4

Semester: Second semester

Subject type: Optional

Module:

1. General information

The main objective of this course is to provide the student with the essential tools to communicate in multinational environments, understanding the interlocutors, although sometimes with effort, expressing themselves clearly and with reasonable correctness.

2. Learning results

- Read and understand different types of texts in English needed in their professional activity, e.g. reports and technical documentation, specialized articles, instructions.
- Write different types of texts in English that respond to different needs and are used in professional communication in the discipline.
- Understand and participate in simple conversations in English in work situations.
- Use communicative strategies to be able to participate in conversations in work situations.
- Read and understand specialized bibliography in English related to the discipline.
- Understand and prepare oral presentations of projects in English.
- Plan, prepare and deliver oral presentations of projects in English.
- Develop strategies for searching for information and reading online texts.

3. Syllabus

Topic 1. COMMUNICATION

Topic 2. WAYS INTO TECHNOLOGY

Topic 3. MARKETING

Topic 4. ALTERNATIVE ENERGY

Topic 5. INNOVATION

Topic 6. ROBOTICS

Topic 7. ENVIRONMENTAL ENERGY

Topic 8. LOOKING FOR A JOB

4. Academic activities

Theoretical and practical classes: The theoretical concepts of the subject will be explained and practical illustrative examples will be developed

to support the theory: 42 hours

Conversation practice: The students will be divided into pairs or small groups and will be supervised by the teacher. 12 hours

Evaluation activities: 6 hours

Tutored autonomous activities: Focused mainly on seminars and tutoring under the supervision of the teacher: 30 hours

Practice and reinforcement activities: Of a markedly non-attendance nature: 60 hours

5. Assessment system

Continuous assessment:

- Attendance at a minimum of 80% of the classes is considered an essential requirement.
- The continuous assessment program will be validated through the completion of a series of evaluation tests of the following different language skills (reading, listening, writing and speaking) throughout the subject. Students should demonstrate proficiency at B1 level in all of the above skills.
- The final grade will be obtained from the grades obtained in the different tests carried out, as well as from the activities delivered.

Final assessment.

- Students who do not follow the continuous assessment or who have not passed it may take a final exam to be held at official calls.
- A final written exam and an oral exam will serve to evaluate the student in all four skills: listening, speaking, reading and writing. Students will be required to demonstrate proficiency at B1 level in all of the above skills.
- The oral examination will take the form of an interview.

6. Sustainable Development Goals

- 1 - End of Poverty
- 4 - Quality Education
- 5 - Gender Equality
